**Rocky Mountain Coal Mining Institute** is a 501(c)(3) Nonprofit Educational Association founded November 11, 1912 for members representing the coal industry.

## Who is RMCMCI?

Rocky Mountain Coal Mining Institute is a nonprofit corporation founded in 1912 dedicated to the promotion of western coal through education. The Institute is proud to claim members from throughout the United States.

Membership is diverse and includes individuals from both surface and underground mines, equipment manufacturers, service/supply firms, utilities, coal transporters, law firms, government, universities and colleges, financial institutions, and others interested in supporting the industry.

## Mission Statement

As a professional association comprised of individuals, and supported by companies, our mission is to:

- Promote exceptional safety processes**, behavior, performance, and results through training, benchmarking and evaluation;
- Advance the future of western coal** through education, environmental stewardship, professional development, and public relations;
- Provide practical training and academic programs** to the members, public, and other stakeholders;
- Provide opportunities** for professional networking and business development;
- Recognize the importance and value** the family plays in supporting the members of the western coal mining industry.

## Vision & Core Values

### Vision Statement

To be the conscientious association for advancing the future of western coal; focused on safety, education, mentoring, networking and family.

### Core Values

The core values below govern the operation of RMCMCI and its conduct or relationships with society at large, members, suppliers, employees, local communities and other stakeholders.

- **Safety** is our number one priority
- **Education** of industry personnel and the public
- **Mentoring** of new industry engineers and technicians
- **Unity** of the western coal mining industry
- **Focus and support** of our families and communities

Find out more at [www.rmcmci.org](http://www.rmcmci.org)

## OneMine

Your membership offers you the opportunity to access mining related documents, papers, and other information from at least six organizations including SME and RMCMI on one incredible website. You will be able to access by keyword, organization, date, speaker name, etc. It is an extremely powerful and valuable resource.

## Annual Convention

The Annual Convention is held every year commencing on the last Sunday in June. The date was established in 1912 when the miners began their vacation each year. Our convention is considered the premiere "family" convention in the industry.

The Convention offers excellent technical sessions, mine rescue evaluations, scholarship awards, and a short course. Inclusion of spouse and childrens events, golf, entertainment and good food promote wonderful friendships and a memorable time in the western resort venues.

## Regional Meetings

The meetings are open to all friends of the industry and offer excellent speakers at the banquet and technical sessions. Mine tours may be offered and golf tournaments close each of the two-day meetings.

### Annual Membership

- Student.....Free
- Mentee (Under 28) .....\$100
- Member.....\$175
